Dear Sir/ Madam,

Greetings from Gangadhar Meher University.

I on behalf of the university invite you to take a couple of minutes of your time for the institution which knows you as its student and with which you have been associated, many of you even closely, since your student days.

A historic institution which helped in educating generations of students in this part of the state, named after an eminent poet as a mark of respect for the cultural life of western Odisha, is struggling to bring up an association and affiliation for the alumni of the university. Coincidentally, the Higher education department of the Govt of Odisha has initiated Mo college/university Abhiyan\* which is a very encouraging and helpful step to connect with the Alumni of the Gangadhar Meher University. We as the administration, expecting your goodwill and aspiration and as part of the Abhiyan, are taking steps to activate the alumni connect with a hope to develop the resources for the university. We know there is some place for it in your heart and soul; the Abhiyan hopefully reconnects the university to that place and ignites your interest to further the growth of the university.

G M University has appointed a coordinator (Dr. Sikata Panda, School of Political Science, spanda@gmuniversity.ac.in) and created an online link for the alumni to join on the university website [www.gmuniversity.ac.in](http://www.gmuniversity.ac.in) Pl spare time to visit the link and join with a token membership fee and, if possible, voluntary contribution which, with stated matching contribution from the Govt of Odisha, will be used solely for the development of Gangadhar Meher university.

A good opportunity has been created by the Higher education department of Odisha. Let us make use of it.

Looking forward to your cooperation.

Thanks & Regards,

Yours sincerely,

*N. Nagaraju*
